To Our New Friends

The **Orange County Guitar Circle** is a non-profit organization founded in 1967 to celebrate and promote the music of the Spanish classical guitar. We hold nine recitals each year at Chapman University in the city of Orange - once each month between September and June, except December. We are also a social organization providing a relaxed atmosphere in which to enjoy fine music and the company of other music lovers. At our recitals, you'll meet players, teachers, students, and people who just like to listen.

Membership dues keep our organization going and help bring the finest guitarists to the Circle's stage. For $20, an individual can attend nine recitals for less than the price of three! For $30, an entire family can share many evenings of fine music. Full-time students and senior citizens can take advantage of our discounted $15 membership.

We hope you will join the Orange County Guitar Circle. But even more, we hope you'll continue to attend our recitals. Either way, you'll be promoting music enjoyment (your own!).

Please visit our web site at **www.ocgc.org** to see the season's concert schedule, our newsletter called *The Rosette*, other guitar events in the region, and other information of interest to Circle members.
